Jess –

Please forward this message to anyone patrolling Bradbury on Friday and Monday. Staff and visitors will be parking on Winston intermittently on Friday and Monday because of sewer construction occurring in front of City Hall. The construction is expected to block City Hall access.

Winston is a “No Parking” street, so I want to ensure no one gets a ticket.

On a side note, Scarlett and I spoke with Duarte earlier this week about sharing a deputy for our potential Public Safety Committee. Both Duarte and I think that we might partner for an existing special assignment deputy to service a Bradbury meeting or two – up to 5 hours a month.
